AN ESCAPE TO THE ENGLISH COUNTRYSIDE

## ABOUT US

Established in 2008, in Montreal - the most European of Canadian cities. M is a complete lifestyle collection. Our collections feature natural fabrics, a variety of prints and textures, and is proudly made in Italy.

Always evolving, our Montreal-based design team analyzes market trends and incorporates them into our collection with the goal of creating versatile, comfortable and fashionable pieces.

Our company continues to grow its global brand presence. The brand can be found in several countries including Canada, the United States of America, Australia & Japan. Our mission at M is to make all women look and feel beautiful, no matter what age or demographic.

Our collection has an unmistakably Italian aesthetic that embodies an effortless approach to style, inspired by the European coastline.

We pride ourselves in producing the most beautiful fabrics and prints from our factories in Italy.
